HOW IT WORKS

#1 - PICK YOUR ARTWORK

We have provided twelve different works of art from various artists for you to choose from. Each piece features a scene with an animal in it. Simply pick the one you like, or the one that best fits your event needs.

#2 - DECIDE ON A PRODUCT FINISH

Once you have decided on which artwork you would like, the next step is to select what you would like the finished product to be printed on.

We offer five different options:

- Matted and shrink wrapped print
- Matted and framed print
- Gallery wrapped canvas
- Framed canvas
- Wood Pallet

Each of these finishes are very different, allowing you to get the ultimate customization out of your artwork. These are also set at different price points, making it very easy to fit any Chapter's budget. See the back of the order form for detailed descriptions of each option.

#3 - SEND IN YOUR ORDER

To place your order, all you have to do is complete the order form provided, and send it in to us with an event dated check. Please allow 2 weeks for delivery.

PRODUCT OPTIONS

MATTED AND SHRINK WRAPPED PRINT \$22.50

This giclee print is produced on thick matte paper with a smooth surface. Then decorative matts are applied to the print and it is shrink wrapped to help protect it from any debris or scratching. Foam core backing is included.

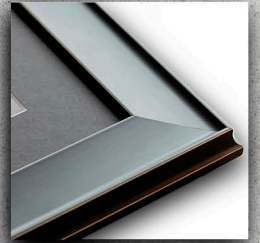

Great for raffles, and door prizes.

FRAMED PRINT \$65

Once we have giclee printed the artwork on thick matte paper, we add decorative mats to the print and high quality moulding to assemble our frames. Then clear glass is added to the front of the print, and the frame is finished with a wire hanger and dust cover on the back. Mats and frames are designed by our professionals with over 30 years of experience to compliment the artwork to it's fullest.

Great for live auctions, sponsor gifts, and SBA

GALLERY CANVAS \$37

This canvas is printed on décor canvas and then coated with UV reflective coating to deter fading. It is stretched on 1 1/2" thick gallery stretcher bars and finished with a sawtooth hanger. This option gives the artwork a more modern and clean look.

Great for silent auctions, and SBA

FRAMED CANVAS \$50

Once the artwork has been printed on decor canvas and sprayed with UV protective coating, we then frame the canvas in one of our carefully selected frames. The finished product comes with a wire hanger, dust cover on the back, and is ready to hang on the wall. This gives the artwork a classic and professional look.

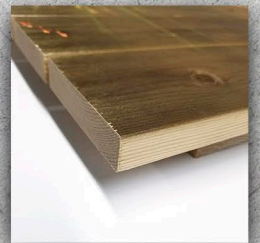

Great for live or silent auctions, SBA, and top tier raffles.

WOOD PALLET \$35

We use treated lumber to make all of our pallets to size in house. We then use a UV printing process to print on top of the assembled pallet. The pallet is weather resistant, making it able to hang outside or inside. It comes with a wire hanger attached and ready to hang. This is a very new process and gives a rustic warmth to the artwork.

Great for silent and live auctions, sponsor gifts, and SBA
